MESSAGE FROM THE CHANCELLOR, VISTAS

Vels Medical College & Hospital (VMCH), a constituent unit of VISTAS, was established in 2018 with the noble objective of delivering affordable and accessible healthcare to all. Located in Manjankaranai Village, Tiruvallur District, Tamil Nadu, the institution stands as a testament to our commitment to quality medical education and community welfare.

VISTAS upholds core values of integrity, compassion, academic excellence, innovation, and social responsibility. These principles guide our mission to develop competent and ethical healthcare professionals who can meet the growing demands of the healthcare sector.

Our MD/MS postgraduate programmes at VMCH are structured to provide rigorous clinical training, research orientation, and a conducive learning environment under experienced faculty. I extend my best wishes to all aspiring postgraduate students and invite you to pursue your specialist training at VMCH, an institution dedicated to shaping the future of healthcare.

DR. ISHARI K. GANESH

MESSAGE FROM THE VICE PRESIDENT, VELS GROUP OF INSTITUTIONS

At Vels Group of Institutions, we remain committed to fostering a culture of academic excellence, professional integrity, and service to society. Our institutions are built on strong foundational values that guide our efforts in shaping future leaders across diverse fields, including the health sciences.

The postgraduate medical programmes at VMCH are designed to provide students with comprehensive clinical training, research exposure, and a supportive learning environment. With dedicated faculty, modern facilities, and a focus on holistic development, we aim to prepare healthcare professionals who uphold the highest standards of care and ethics.

I extend my best wishes to all aspiring MD/MS students and encourage you to pursue your academic and professional goals with dedication and purpose.

DR. PREETHAA GANESH

ABOUT VELS

The VELS Group of Institutions, with a legacy of 33 years in education, has been at the forefront of providing a progressive learning environment worldwide. Currently, the VELS Group comprises 54 Institutions, 34 campuses, 7,700 staff, and a student population exceeding 51,000.

ABOUT VISTAS

VELS Institute of Science, Technology, and Advanced Studies (VISTAS) was established in 1992 and granted the status of Deemed-to-be University in 2008. It has been accredited with grade 'A++' by NAAC, graded as a Category I Institution by UGC, and holds the 12B status conferred by UGC. VISTAS offers a range of academic programs in Medicine, Dentistry, Engineering, Nursing, Law, Allied Health Sciences, Management Studies & Commerce, Physiotherapy, Pharmaceutical Science, and many more. All programs are approved by the respective statutory councils.

VISTAS has 4 campuses in Chennai: Pallavaram, Thalambur, Periyapalayam, and Thiruvanmiyur

VISTAS is a multidisciplinary university that offers 100+ programs. In line with the university's motto, over 15,000 students are pursuing undergraduate, postgraduate, and doctoral programs at VELS. A significant number of these students are first-generation graduates, and the university ensures equal opportunities for students from socially and economically disadvantaged backgrounds. Emphasizing rural upliftment, VELS attracts a sizable number of students from rural and semi-urban areas. Deserving students are awarded scholarships based on merit.

ABOUT VELS MEDICAL COLLEGE & HOSPITAL (VMCH)

Vels Medical College & Hospital (VMCH), a constituent unit of the VELS Institute of Science, Technology and Advanced Studies (VISTAS), was established in 2018 under the visionary leadership of Dr. Ishari K. Ganesh, Founder-Chancellor of VISTAS. Located on Periyapalayam Road in Manjankaranai Village, Uthukottai Taluk, Tiruvallur District, the institution was founded with the objective of providing accessible, high-quality medical education and compassionate healthcare to the surrounding communities.

VMCH comprises a comprehensive medical college and a 1,050-bedded teaching hospital equipped with top-notch facilities and cutting-edge infrastructure. The institution features modern classrooms, advanced laboratories, simulation and skills training centres, and state-of-the-art diagnostic and therapeutic services covering all major medical and surgical specialties.

The Central Library serves as an important academic resource, housing an extensive collection of medical textbooks, reference materials, national and international journals, and digital learning platforms to support evidence-based learning and research.

VMCH places strong emphasis on academic enrichment through regular Continuing Medical Education (CME) programs, conferences, hands-on workshops, and faculty development initiatives, ensuring that students and healthcare professionals remain aligned with emerging advancements in medical science.

Guided by a commitment to service, education, and excellence, VMCH continues to advance its founding vision—to train competent, ethical medical professionals and to deliver affordable, high-quality healthcare to the community.

VISION

VELS Medical College & Hospital (VMCH) is started with a vision to be a model for medical education, research, and to serve the people, with a special focus on the rural population. The aim is to provide the underprivileged with highly advanced medical facilities and educate them about prevention from illness.

MISSION

To develop one of the best health care professionals who are compassionate, committed to providing, highest standards of patient care through:

- Student-centered innovative teaching methodologies equip them to develop critical thinking skills and to become lifelong learners committed to continuous improvement of skills and knowledge.
- Clinical transformation, as Healthcare Professionals, who are ethical, responsive, and accountable to patients, community, and profession and makes a valuable contribution to patients and healthcare as individuals and as responsible members of society.
- Igniting innovative learning habits in young minds to reach their fullest potential. Acquiring team building and communication skills to enrich their healthcare practice in any setting and make them globally competent healthcare professionals.
- Promoting original research in basic and clinical sciences among students and faculty bound by good ethical practice.

APPROVALS

- Obtained Essentiality Certificate from Tamil Nadu State Govt.
- Permitted by National Medical Commission

VELS HOSPITAL

VELS Hospital, situated on Periyapalayam Road in Manjankaranai Village, Uthukottai Taluk, Tiruvallur District, Tamil Nadu, was established in 2018. As the teaching hospital of Vels Medical College & Hospital (VMCH), it was founded with the mission of providing accessible, affordable, and high-quality healthcare to both urban and underserved rural populations.

The hospital is a 1,050-bedded tertiary care centre featuring 11 major and 7 minor operation theatres, 30 emergency beds, and 65 ICU beds, including NICU, PICU, SICU, and ICCU. Its clinical infrastructure is supported by state-of-the-art laboratories, a fully functional blood bank, advanced radiology services including X-ray, ultrasound, CT, and MRI, physiotherapy and audiometry facilities, and a comprehensive pharmacy. Additional patient-centric amenities include private rooms, master health checkup packages, and round-the-clock emergency care.

VELS Hospital offers an extensive range of medical specialties, including General Medicine, Pediatrics, Psychiatry, Dermatology and Venereology, Respiratory Medicine, Nephrology with Dialysis, Cardiology, and Neurology. Its surgical and surgical-specialty departments encompass General Surgery, Orthopaedics, ENT (Otorhinolaryngology), Ophthalmology, Obstetrics and Gynaecology, and Urology.

The hospital provides comprehensive patient care services, including outpatient consultations, specialized clinics, 24×7 inpatient admission and consultation, women and child healthcare, major and minor surgeries, day-care procedures, essential medications, ambulance services, and complimentary free meals for inpatients. Through its Integrated Community Outreach Programme, VELS Hospital extends free and subsidized healthcare to economically disadvantaged and remote populations, thereby fulfilling its mission of “Affordable Healthcare for All.”
In addition to patient care, VELS Hospital serves as a centre for medical education, research, and postgraduate clinical training, offering students extensive hands-on exposure across all specialties.

VALUE-ADDED CLINICAL TRAINING PARTNERS FOR POSTGRADUATE SKILL ENHANCEMENT

VMCH has established formal collaborations with the following distinguished institutions:

- Apollo Hospitals
- Rainbow Children's Medicare Limited
- Sri Kauvery Medical Care (India) Limited
- GEM Hospital & Research Centre
- Dr. Rela Institute & Medical Centre
- Madras ENT Research Foundation (P) Ltd
- Chennai Urology and Robotics Institute Pvt Ltd
- Dr. Agarwal's Eye Hospital
- Dr. Mehta's Hospitals
- Kumaran Hospitals Pvt Ltd

These partnerships, formalized through Memoranda of Understanding (MoUs), facilitate value added clinical training for postgraduate students. The scope of these MoUs is confined to academic enrichment, practical exposure, and specialized skill development, in strict adherence to institutional guidelines.

Additional partnerships with select government and corporate healthcare institutions are under progree to further augment academic opportunities across key specialties.

All core clinical services, teaching responsibilities, and patient care are comprehensively managed at Vels Medical College & Hospital, an independent tertiary care teaching hospital.

GENERAL INFORMATION

- Admissions to VELS Medical College and Hospital, are subject to meeting all eligibility criteria set forth by the University and statutory bodies such as the National Medical Commission/Medical Council of India. Any submission of false information or forged documents will result in immediate cancellation of admission, which is irrevocable.

ELIGIBILITY AND ADMISSION PROCESS

- Appearance in NEET-PG 2026 does not confer any automatic rights to secure a Post graduate MD/MS/Post Graduate Diploma Seat.
- Selection is based on meeting eligibility criteria, medical fitness, and other conditions as prescribed by the MCC of DGHS, National Medical Commission, and the University.
- Candidates with provisional allotment obtained from MCC of DGHS must submit all required original documents and pay tuition fees promptly to avoid delays in the admission process.
- Candidates should ensure that their MBBS degree is recognized as per provisions of the NMC Act, 2019 and the Post Graduate Medical Education Regulations, 2023. If it is found at any time that MBBS degree is not recognized, the candidature / result of the candidate shall be cancelled/ deemed to be cancelled.

REPORTING AND DOCUMENTATION

- Candidates must report in person at the specified date and time with all original certificates/documents.
- Failure to report or pay fees will result in the inability to proceed on the day of admission.
- Candidates who have deposited their original documents elsewhere must retrieve them, provisional certificates are not accepted.

UNIVERSITY REGULATIONS

- Admitted students are subject to the University's rules regarding syllabus, examinations, fees, discipline, and fee refund policies.
- The University reserves the right to amend regulations in accordance with statutory council guidelines.
- Tuition and other fees for subsequent academic years must be paid by the due date, or enrolment may be terminated.

ATTENDANCE AND LEAVE POLICY

- Number of working days will be as per NMC norms.
- Students are advised against taking extended leaves during the course of study and should complete their course in three years as per NMC norms.
- Leave due to illness or maternity will extend the study period by the same number of days for which maternity/paternal leave and total excess casual leave taken have been availed in 3 years.
- Re-admission after a study break requires a condonation order from the University and payment of the prescribed fees, in addition to obtaining approval from the NMC, whichever applicable.

TRAINING REQUIREMENTS

- Students must serve as full-time residents and attend at least 80% of training to be eligible for examinations.
- Rigorous training and class attendance are essential for acquiring comprehensive medical knowledge.

POSTGRADUATE ACADEMIC AND TRAINING REQUIREMENTS

To be eligible for the final examinations, postgraduate students must complete the following requirements:

- One poster presentation
- One paper presentation
- Research papers published one per year; one published as first author; one in Scopus and other two in Scopus or Web of Science or Pubmed indexed journals.

MANDATORY COURSES

- **Research Methodology:** Complete an online course in the first year, with certification required for final exam eligibility.
- **Ethics:** Complete a course in ethics, including Good Clinical Practices and Good Laboratory Practices, in the first year, with certification necessary for exam participation.
- **Cardiac Life Support Skills:** Complete Basic and Advanced Cardiac Life Support courses in the first year, with certification mandatory for exam eligibility.
- These requirements are applicable to all postgraduate students and are integral to the eligibility criteria for final examinations and any other amendments notified by the statutory body from time to time.

DISTRICT RESIDENCY PROGRAMME

- To integrate Postgraduate students into the healthcare services, participation in the District Residency Programme is mandatory for a period of 3 months, providing essential exposure to the District Health System and District Hospitals.

NO MIGRATION

- No student admitted in PG courses shall be permitted migration to any other Medical institutions as per NMC Norms.

TAMIL NADU MEDICAL COUNCIL DIRECTIVES

- **Other state Candidates pursuing postgraduate, should compulsorily register in Tamil Nadu Medical Council "within three months of admission"**
- In case of failure to register within the prescribed time (3 Months) Rs.10,000/- would be levied as fine, in addition to the normal registration fees.

RAGGING IN ANY FORM IS PROHIBITED IN THE COLLEGE CAMPUS

- The College enforces a zero-tolerance policy towards ragging, which is a criminal offense.
- Strict adherence to UGC and NMC/MCI anti-ragging regulations is mandatory, with penalties for violators.
